

## Pledge to Raise the Roof at Holy Cross

The dollars raised for "Raise the Roof" will be used for the \$150,000 Sanctuary and Parish Hall roofing project. The goal is to eliminate the need for the currently anticipated \$50,000 loan to complete the project. Your financial commitment makes a strong statement about the importance of a modern, up-to-date and welcoming worship facility. We plan to start contributions by March 17th.

### WHERE YOUR DONATION GOES

Your generous contributions allow Holy Cross to replace the Sanctuary and Parish Hall roofs. The first \$50,000 will eliminate any debt on the project. If we are blessed by contributions above the need, the balance will be made available for future Sanctuary upgrade projects.
